Executive Summary: The COVID-19 pandemic has created new and challenging issues for jail administrators. Justice Planning produces a daily report that identifies several outcome measures related to the jail population such as Average Daily Population (ADP), jail bookings and releases, and inmates in custody by charge level and offense type. This is a different report, which provides more detailed information regarding the same outcomes, as well as additional outcomes, such as who is in jail and why and personal bond release rates. The following outcome measures are included in this report:

- ADP
  - Month to date (June 1-11, 2020)
  - COVID-19 countermeasure to the end of the current reporting period (March 16-June 11, 2020)
  - Current reporting period (June 5-June 11, 2020)
- Jail bookings and releases
  - Month to date (June 1-4, 2020)
  - COVID-19 countermeasure to the end of the current reporting period (March 16-June 11, 2020)
  - Current reporting period (June 5-June 11, 2020)
- Inmates in custody today (June 11, 2020)
  - Charge level and offense type
  - Excludes inmates waiting for a hospital bed and SWAP participants
- Who is in jail and why (June 11, 2020)
  - Inmates with a hold
  - Inmates serving a sentence
  - Pretrial inmates
- Misdemeanor A/B jail bookings compared with misdemeanor A/B personal bond releases
  - Jail bookings compared with personal bond releases for the week prior to the standing order
  - Weekly bookings compared with personal bond releases for the weeks following the standing order

New Standing Order for the Misdemeanor Jail Population

The Travis County Criminal County Courts at Law Judges have ordered that all persons arrested for misdemeanor crimes should be expeditiously released on personal bonds, except for limited instances listed in the standing order. The standing order and memorandum are included in Attachment 1 of this report. Pretrial Services went live with the standing order on March 6, 2020. The chart below represents weekly misdemeanor A/B jail bookings and the number of personal bonds granted for those charges.[5]

Attachment 1: County Court at Law Standing Order

STANDING ORDER FOR PERSONAL BONDS
ON MISDEMEANOR CASES INTRAVIS COUNTY COURT AT LAW

In the interest of justice and fairness for all persons accused of misdemeanor crimes, the Travis County Court at Law Judges, having been notified in writing that the Travis County Attorney does not object to the adoption of this Order, have determined that all persons arrested for misdemeanor crimes should be released on personal bonds except for in the instances listed in this Standing Order. The procedures to be followed are outlined below:

The magistrates who review probable cause affidavits and conduct magistration on misdemeanors in Travis County determine the amount and conditions of bail in accordance with the Texas Code of Criminal Procedure (CCP) and the Texas and United States Constitutions. This Standing Order provides that all persons charged with Class A and Class B misdemeanor cases in Travis County are pre-approved for a personal bond except for in the following instances:

Penal Code Chapter 22 - Assaultive Offenses
Penal Code 25.07- Violation of Protective Order cases
Penal Code 49.09(a)- DWI 2nd cases if the prior DWI conviction was within the past five years
Texas Education Code Section 37.125(a)(3)-Threat to Exhibit or Use a Firearm in a School or Bus
Persons who are already out on a bond or are currently on probation or parole
Persons who have had a bond forfeiture warrant or a bond revocation capias issued for this case
Persons who have other holds preventing release

Persons arrested on other charges for which personal bond is not granted pursuant to this Order
Persons that Pretrial Services believe present an imminent danger to the community

This Standing Order does not diminish the statutory authority of any magistrate to grant personal bonds on the excepted cases pursuant to their authority under CCP Chapter 17 with the bond conditions the magistrate believes are required by law or serve the interests of justice.

All the requirements and conditions of the bond previously set by the magistrate remain in effect. Pretrial Services shall recommend to the trial court any additional, appropriate conditions at any time after the arrested person is released pursuant to this Order.

If a law enforcement officer, attorney, or Magistrate has reason to believe that a particular person presents an imminent danger to the community, or that the misdemeanor will be enhanced as a hate crime, or that particular conditions should be attached to a bond, they should notify Pretrial Services.

IT IS ORDERED that all persons arrested on misdemeanor crimes meeting the above conditions shall be released on a personal bond approved by the undersigned judges.

A copy of this Standing Order shall be transmitted to Pretrial Services and the Sheriff of Travis County. This Order is effective immediately.

SIGNED AND ORDERED AND ENTERED THE 6th **day of** February **20**20**.**
