

Board Appointment Policy
Commissioner Sarah Eckhardt, Precinct 2

Thank you for your interest in serving as an appointee of Precinct 2. My goals in making appointments to boards on behalf of the Travis County Commissioners Court are:

- To vigorously represent the Precinct 2 region;
- To provide expertise, independence, vision and stability to the boards; and
- To expand and diversify the network of individuals engaged in board activities.

In service of these goals I have established the following policies regarding appointments specifically designated as Precinct 2 appointments (as opposed to joint appointments or appointments of the full Commissioners Court):

Required qualifications

- 1 . Must be a Precinct 2 resident;
- 2 . To provide expertise, vision and stability I require my appointment to:
 - Submit a resume;
 - Submit a statement of goals for service on the board;
 - State a commitment to serve a complete term; and
 - State a commitment to attend 80% or more of all meetings of the board.

Preferred qualifications

- 1 . Experience with city, neighborhood association or other official or non-official governmental entity;
- 2 . Reputation for consensus-building and fairness; and
- 3 . Demonstrated activity relevant to the board's interests on behalf of the community.

To expand and diversify engagement I will conduct an open call for nominations at the end of each term.
