 - (c) Enforcement
 - (1) The ACA (including the authorized representatives of the ACA) will enter property and seize animals as authorized under these Rules pursuant to applicable law.
 - (2) For first-time offenders, the ACA will, in effect, waive all or a portion of the fines related to misdemeanor violations under these Rules (except for fines related to Dangerous Dog offenses) upon completion by the Owner of the required City of Austin pet ownership class by not filing the citation issued for the related offense.
 - (3) The ACA will waive all or a portion of the fees related to seizure, impound, and/or boarding (except for fees related to Dangerous Dog seizure, impound, and/or boarding) when the Owner presents proof of sterilization (and registration, where necessary) of the pet which took place after the violation occurred.
 - (4) Animal Service Office.  - (B) Other. In cases of violations of other sections of these Rules, the ACA, or ACA representative, must either witness the violation or receive the complaint supported by a sworn statement before a citation will be issued or an animal seized. The ACA may, however, consult with the Owner or take other

reasonable action concerning other complaints without having a sworn statement or having witnessed the violation.

- (6) Appeal. Any person subject to citation or seizure of an animal under these Rules shall have available all recourse under law to appeal such action. In the event of any such appeal, the Owner of the animal may avoid implementation of requirements by posting suitable bond as set by the court. Otherwise, all requirements applicable to the determination which is the subject of the appeal must be met.

252.004 Registration

Travis County does not require dogs and cats to be registered but strongly recommends that all dog and cat Owners place an animal identification tag on their pet which includes pertinent identification information (such as the address and phone number of the Owner), either on a separate tag or imprinted on the back of the rabies tag (if possible). This will allow quicker return of strays to their owners and may avoid unnecessary impound of pets.

252.005 Restraint⁴

- (a) Restraint of Dogs. Pursuant to Section 826.014 of Chapter 826, Travis County hereby requires that:
 - (1) It is the responsibility of each Owner to effectively restrain the Owner's dog, which means the dog must either be kept securely on the Owner's property so that the dog remains on the Owner's property or, if not on the Owner's property, on a leash of a length that will allow for the direct

control of the dog by the Owner or the person in control of the dog (or otherwise contained, such as in a car, in a crate, etc.). The ACA may require an Owner to increase the effectiveness of the restraint if the type of restraint used by the Owner is shown not to be effective, as determined by the ACA. A person keeping a dog on a leash shall keep the dog under control at all times. This leash requirement does not apply in portions of public parks officially designated as no-restraint areas (unless the dog has been determined, pursuant to these Rules, to be a Dangerous Dog, in which case a leash is required even in designated no-restraint areas); however, the Owner must still maintain reasonable control over the dog at all times.

- (2) Each stray or unrestrained dog be declared a public nuisance.
- (3) Each stray or unrestrained dog, at the time the dog is stray or unrestrained shall be seized and impounded by the local ACA or that officer's designee for the time period as follows:
 - (A) where a dog is seized only because it was unrestrained, it may be impounded 3 days or until the Owner retrieves the dog after paying all required fees and/or fines. Any dog not retrieved within 3 days will be subject to City of Austin policies regarding placement of animals. A reasonable effort will be made to notify the Owner of the seizure when information is available regarding the dog's Owner.
 - (B) where a dog is seized and determined, pursuant to these Rules, to be a Dangerous Dog, it may be impounded up to 30 days, or until all requirements of Section 252.006 are met or the ACA determines that the dog can be released.
 - (C) No dog seized and impounded under any section of these Rules will be released to the Owner until the Owner:
 - (i) presents proof of registration pursuant to these Rules,
 - (ii) presents proof of current rabies vaccination,
 - (iii) pays all applicable fees and/or fines, and
 - (iv) meets any other applicable requirements of these Rules or AC Laws.
- (4) If, by the time the ACA arrives, the dog has returned to the Owner's property, the ACA may issue the citation to the Owner under Section 252.005(c) if the complaint is supported by a sworn statement. Upon issuance of 3 citations (any citation issued but not filed under Section 252.002(c)(2) counts toward this total number) to the Owner regarding the same dog for failure to restrain under this Section 252.005 (where such citations are upheld), the ACA shall seize and impound the dog. Upon such seizure and impound, the Owner shall be subject to all applicable seizure/impound requirements of this Section 252.005 related to a failure to restrain.

- (5) Upon expiration of the time period set forth in Section 252.005(a)(3) if the dog remains unclaimed and cannot be placed in a suitable home pursuant to City of Austin/Travis County procedures for placement of dogs, a humane disposition shall be made of the dog pursuant to these Rules and AC Laws.
 - (6) Restraint of a dog must be accomplished by a humane method that is not a danger to the dog, that does not allow the dog to move off the property, and that allows the dog necessary access to food, water, and shelter.
 - (7) Any person may report an unrestrained dog to the ACA.
- (b) Fees
- (1) Rate. The Owner shall pay a fee per day in the amount as set forth in Attachment A to these Rules for the impound and boarding of a dog impounded under ANY provision of these Rules. Boarding costs shall include the reasonable cost of any necessary medical care (as determined by a licensed veterinarian) provided to the dog while the dog is in the possession of the ACA. Impound under these Rules will be at the Austin Animal Center.
 - (2) Payment. Such fee must be paid before the dog is released to the Owner.
 - (3) Use. All such fees collected under this Section 252.005 shall be deposited with the Travis County Treasurer, and shall be used only to defray the cost of administering the portions of these Rules related to authority under Chapter 826, including those costs related to enforcement.
- (c) Criminal Penalty. If a person fails or refuses to restrain a dog under this Section 252.005 that is required to be restrained under this Section 252.005, that person commits an offense which is a Class C misdemeanor.

- (5) Findings. Upon completion of the hearing, the Hearing Officer (or their designated representative) shall make a determination based upon a preponderance of the evidence as to whether or not the dog meets the requirements to be determined a "Dangerous Dog" and shall issue such determination either at the end of the hearing or within a reasonable time after the hearing. The determination shall be made in writing and shall include the finding that the dog is a Dangerous Dog (with a description of the action which was the basis of the complaint, shall order compliance with the requirements of these Rules regarding Dangerous Dogs (including a copy of those requirements), and shall advise the Owner of the possible results of failure to comply with those requirements.
- (6) Notification of Findings. If the determination is not made at the hearing, the Hearing Officer will notify the ACA, who will promptly notify the Owner and those requesting such notification at the hearing and providing necessary contact information) of the finding by telephone or email, with written notification to follow (as allowed by available contact information). Written notification will include the elements of the determination described in subsection 5 above and will also be provided as follow-up to any determination made at the hearing. If the dog is determined to be a Dangerous Dog, the Owner:
 - (A) has 15 days in which to appeal the decision to a court of competent jurisdiction;
 - (i) If an appeal is filed, during that appeal, the Owner must either comply with the requirements of this Section 252.006 for a Dangerous Dog or post sufficient bond as determined by the court of competent jurisdiction.

- (B) If there is no appeal, has 30 days (measured from the date the Owner received notice under 252.006(a)(5), or the date a final decision is reached under an appeal, whichever applies) to comply with the requirements of Section 252.006(b), and to provide proof of such compliance to the ACA; or
- (C) shall deliver the dog to the ACA for disposition.

(b) Requirements for Dangerous Dog Owners Retaining the Dog

- (1) Requirements. The Owner of a Dangerous Dog must either deliver the dog to the ACA for disposition or, no later than the 30th day after learning that the person is the Owner of a Dangerous Dog (and on an annual basis for as long as the Owner retains possession of the Dangerous Dog) comply with the following and submit to the ACA proof of such compliance where required.

These registration requirements are in addition to those registration requirements set forth in Section 252.004(i).
 - (B) Immediately ensure that the dog is restrained at all times on a leash in the immediate control of a person or in a Secure Enclosure. Failure to restrain the dog as required will subject the dog to immediate seizure and impound by the ACA.
 - (C) Obtain liability insurance coverage or show financial responsibility in the amount of \$100,000.00 to cover damages

resulting from an attack by the dog on any person and provide proof of such to the ACA on an annual basis.

- (D) Comply with all other requirements of the ACA contained in the Notification of Findings in which a Dangerous Dog determination has been made or imposed by the ACA pursuant to these Rules. Any additional requirements will be reasonably related to the proper enforcement of the applicable provisions of these Rules and provided to the Owner in writing by the ACA.
 - (E) Notify the ACA in writing if the dog dies or if ownership of the dog is transferred to another person within 7 days of such death or transfer of ownership. If ownership is transferred, the written notice shall contain the new Owner's name, address, and telephone number. The original Owner must notify the new Owner of the Dangerous Dog status of the dog prior to transferring ownership. The new Owner then becomes responsible for meeting all applicable requirements of these Rules.
 - (F) Allow the ACA to identify the dog by microchip with the cost for such identification being born by the County if the procedure is performed at the Austin Animal Center.

- (A) The Owner knows of an attack described under Section 252.003(f);
 - (B) The Owner receives notice that a court has made such determination related to proceedings under Section 252.006(a);
or

(c) Failure to Comply

- (1) Application. Any person may make application by sworn statement to the appropriate court to determine that an Owner knowingly has possession of a Dangerous Dog under Section 252.003(f) and has failed to comply with Section 252.006(b). A person will be considered to "knowingly have possession of a Dangerous Dog" if that person "learns" that the person has a Dangerous Dog as described under 252.006(b)(2).
- (2) Hearing. On receipt of such application under 252.006(c)(1)(A), the court shall set a hearing date that is within 10 days of receiving the

application, and give written notice of such hearing date to the Owner, the applicant, and any other known interested parties.

- (3) Decision. If the court determines that the Owner has failed to comply with the requirements of these Rules regarding a Dangerous Dog, the court shall order the ACA to seize the dog and shall issue a warrant authorizing the seizure. The Owner may appeal the decision of the court to the appropriate court. Nothing in this subsection prevents the ACA from seizing the dog at any time under this or any other applicable portion of these Rules.
- (4) Impound. Upon such court order or decision by the ACA under Subsection 3 above, the ACA shall seize and impound the dog.
- (5) Compliance.
 - (A) Appeal. No further action shall be taken regarding the dog (other than the ACA continuing to impound the dog) if the Owner files an appeal under 252.006(c)(3) until a final decision is issued under such appeal. If the decision of the appeals court is that the dog is not a Dangerous Dog or that the Owner has not failed to comply, the dog shall be immediately released to the Owner. If the appeals court agrees that the dog is a Dangerous Dog and that the Owner has failed to comply with applicable requirements of these Rules, (or if no appeal is filed) subsections (B) and (C) below will apply, with the time periods being measured from the date of such decision of the appeals court rather than the date the dog is seized.
 - (B) Release. The court shall order the dog released to the Owner if the Owner:
 - (i) Before the 11th day after the dog was seized, shows proof of compliance with the applicable requirements; and
 - (ii) Pays any cost (including necessary medical costs, as determined by a licensed veterinarian), fee, or fines assessed by Travis County related to the seizure, acceptance, and impoundment.
 - (C) Destruction
 - (i) If the Owner does not fulfill the requirements of Section 252.006(c)(5)(B)(i) and (ii) within the 11-day time period, in the event that the attack or acts were directed toward a person, the court shall order the ACA to humanely destroy the dog.
 - (ii) If the Owner of the dog is not found by the 15th day after the dog was seized, and the dog is a Dangerous Dog the court shall order the dog humanely destroyed.

- (d) Attack by a Dangerous Dog Subject to the following, Section 822.044 of Chapter 822 shall apply to any attack by a Dangerous Dog after such determination has been made:

 - (B) An offense under this section is a Class C misdemeanor unless the attack causes Serious Bodily Injury or death in which event the offense is a Class A misdemeanor.
 - (C) If a person is found guilty of an offense under this section, the court may order the dangerous dog destroyed by a person authorized under the AC Laws to perform such a procedure.
 - (D) In addition to criminal prosecution, a person who commits an offense under this section is liable for a civil penalty not to exceed \$10,000. An attorney having jurisdiction in the county where the offense occurred may file suit in a court of competent jurisdiction to collect the penalty. Penalties collected under this subsection shall be retained by the county.
 - (2) Any person who keeps a Dangerous Dog which was classified as such because of an attack or act upon a person and does not comply with all requirements of these Rules commits an offense which is a Class C misdemeanor, unless it is shown at trial that the defendant has previously been convicted of an offense under this Subsection 252.006, in which case the offense is a Class B misdemeanor. Defenses to prosecution under this Section 252.006 are as set forth in Section 822.046 of Chapter 822. This Section 252.006(e) applies only to a dog determined to be a Dangerous Dog as a result of an attack or acts against a person, and does not apply where the attack or acts were against livestock, a domestic animal, or fowl.
