383.028 Unified Report on Application

- (a) The Director shall compile or reference and attach the County Reviewing Authorities' respective reports on an Application into a single, Unified Report addressed to the Commissioners Court, providing an analysis of the reports received and the comments of the Director.
- (b) Each County Reviewing Authority shall make such revisions in its report as are necessary to finalize the Unified Report for timely submission to the Commissioners Court.
- (c) The Director shall deliver a copy of the Unified Report to the County judge, each County commissioner, the County Attorney and the Applicant, not later than the 10th working day after the date that TNR receives the last report from a County Director shall forward to the Commissioners Court any late filed reports by County Reviewing Authorities.

383.029 Coordination by TNR

The Director shall coordinate the activities of the County Reviewing Authorities under this Subpart C in an effort to achieve the timely delivery of the Unified Report to the Commissioners Court.

383.030 Revision of Application Prior to Commissioners Court Consideration

- (a) After an Application has been submitted, the Applicant may revise the Application, as provided by this section.
- (b) Before an Application may be revised, the form and content of the proposed revision must be approved by the Director (after any consultation with District Commissioner and the other County Reviewing Authorities that the Director considers appropriate), and by the County Financial Advisor.
- (c) After the required approval of a proposed Application revision is obtained, the Applicant shall deliver twenty (20) copies of the revision to TNR and one to the County Clerk. Upon receipt of the copies, the Director shall distribute them to the same Persons as are required by Section 2.51 of this Policy to receive copies of the Application upon its original submission.
- (d) If a proposed Application revision is approved, the County Reviewing Authorities and the County Financial Advisor shall make corresponding revisions to their respective reports and opinions on the application that are

necessitated by the revision, and the Director shall do likewise with respect to the Unified Report.

Subpart D. Creation of a Road District

383.031 Criteria for Road District Creation

- (a) Upon consideration of an Application, the Commissioners Court, in the exercise of its discretion and in accordance with law, may create the Road District as proposed.
- (b) In determining whether to create a Road District, the Commissioners Court will consider the following criteria:
 - (1) the Proposed roads are highways or arterials designated by the Area Transportation Plan.
 - (2) the Proposed Road District will be able to meet its financial obligations, including the payment of the Proposed Bonds, at a reasonable cost to the affected taxpayers;
 - (3) the plan of financing the Proposed Improvements complies with the Prescribed Debt Limit or with any increase in the Prescribed Debt Limit approved by the Commissioners Court;
 - (4) the County or other affected governmental entity will be able to maintain the Proposed Improvements;
 - (5) opposition to the creation of a Proposed Road District by Persons owning real property within the boundaries of the Proposed Road District;
 - (6) all taxable real property in the Proposed Road District will be benefitted by the Proposed Improvements, if created;
 - (7) all benefitted real property adjacent to the Proposed Improvements is included in the Proposed Road District;
 - (8) the Proposed Improvements will provide an efficient enhancement to the County's road system;
 - (9) the Application complies with this Policy;
 - (10) the extent to which the right-of-way for the Proposed Improvements is to be donated for that purpose;
 - (11) anticipated environmental impact;
 - (12) relative need for the Proposed Improvements in relation to their cost;
 - (13) priority of the Proposed Improvements in relation to other roads proposed or scheduled for improvement within the County;
 - (14) a road district is the most appropriate method of financing for part or all of the Proposed Improvements; and

383.032 Commissioners Court Work Session on Application

- (a) Upon receipt of a Unified Report, the County Judge will place the Application referenced in the Unified Report on the agenda for a work session of the Commissioners Court. The County Judge may place a notice of the work session in a newspaper of circulation within area where the Proposed Road District will be located.
- (b) The Applicant shall brief the Commissioners Court on the Application in work session. The Director shall then brief the Commissioners Court on the Unified Report. If requested, the County Reviewing Authorities and County Financial Advisor shall comment on the Application in work session.
- (c) The Commissioners Court cannot take actions on the creation of a Proposed Road District in work session.

383.033 Modification of Application and Reports Following Work Session

- (a) After the Commissioners Court completes its review of an Application in work session, the Applicant shall modify the Application as requested by the Commissioners Court. The County Reviewing Authorities and the County Financial Advisor shall make corresponding modifications in their respective reports and opinions, if requested by the Commissioners Court. The Director shall also modify the Unified Report to reflect such change.
- (b) If, after the Commissioners Court completes its review of an Application in work session, the Applicant chooses to make substantive modifications to the Application, it must submit the revised Application in accordance with Section 2.06 of this Policy. The County Reviewing Authorities and County Financial Advisor shall make corresponding modifications in their respective reports and opinions. The Director shall modify the Unified Report to reflect such change. Upon receipt of the amended Unified Report, the County Judge will place the Application on the agenda for work session of the Commissioners Court.

383.034 Action on Application by Commissioners Court

- (a) After the Commissioners Court completes its review of an application in work session, the County Judge may place the Proposed Road District on the agenda for a Commissioners Court meeting as an action item.
- (b) The Commissioners Court will consider the Application and do one of the following:
 - (1) by written order, create the Proposed Road District;
 - (2) postpone taking action on the Application;
 - (3) Deny the Application; or
 - (4) Take no action on the Application.

383.035 Use of Estimated Appraisals to Determine Compliance with Debt Limit

If the Commissioners Court is considering creation of a Proposed Road District before the time that a periodic reappraisal, for property tax purposes, of property in the Proposed Road District is to occur, and the time of issuance of the Proposed Bonds is expected to occur after the periodic reappraisal is completed, then, in determining whether the plan of financing the Proposed Improvements complies with the Prescribed Debt Limit, the Commissioners Court, in its discretion, may consider a written Estimate, if available, from the central appraisal district, of the Appraised Value and Taxable Value expected to be applicable to the real property in the Proposed Road District at the expected time of issuance of the Proposed Bonds.

383.036 Indemnification Fee

- (a) Before a Commissioners Court will consider the creation of a Road District, the Applicant shall pay an indemnity fee either in the amount of \$5,000 or in the amount equal to 1/10 of 1 percent of the aggregate principal amount of the Proposed Bonds, whichever is greater.
- (b) The indemnity fee shall be paid by certified or cashier's check, payable to the County.
- (c) The indemnity fee shall be delivered to the County Treasurer who shall deposit it into a current restricted account separate from all other County funds. The moneys on deposit in this account shall be used only for the purpose of indemnifying the County and the members of the Commissioners Court (past and present) for any cost, liability, or damage (including attorneys' fees) arising from or incurred as a result of the creation, operation or administration of any Road District and the offering, sale and issuance of any Road District Bonds.
- (d) The indemnity fee is not reimbursable from County or Road District funds (including the proceeds of any Road District Bonds).

383.037 Indemnification By Applicant

- (a) In addition to any other indemnification required by this Policy, the Commissioners Court, in its discretion, may condition its creation of a Road District on the Applicant agreeing in writing, to indemnify the County, the Commissioners Court (collectively and individually), all other County officers, all County employees and its employees and agents for any cost, liability, or damage (including attorney's fees) arising from or incurred as a consequence of the Application, the creation or administration of the Proposed Road District, or the offering, sale, or issuance of the Proposed Bonds.
- (b) The Commissioners Court may require that the indemnification referenced in Subsection (a) of this Section be provided by an insurance provider acceptable to the Commissioners Court. The form and content of the agreement providing insurance shall be acceptable to the County Attorney and the County Risk Manager.

383.038 Road District Operations Agreement

- (a) The Commissioners Court may require, as a condition of the creation of a Proposed Road District or of the issuance of Proposed Road Bonds, that an Applicant enter into an agreement with the district, that governs the rights and responsibilities of the parties with respect to any aspect of the Application, creation or operation of a Road District, issuance of Bonds, acquisition or construction of improvements within a Road District, payment of Bond Issuance Costs or other costs and expenses incurred in connection with the creation or operation of a Road District, indemnification or any other matter deemed appropriate by the Commissioners Court.
- (b) The County Attorney shall approve of the form and content of the Road District Operations Agreement prior to its execution.

Subchapter C. Acquisition and Construction Of Road District Improvements

383.039 Payment for Road District Improvements

The costs of Road District Improvements are payable from the proceeds of Bonds issued to finance such improvements and from no other County source.

383.040 Conveyance of Right-of-Way

- (a) The right-of-way for Road District improvements must be conveyed to the County pursuant to agreements, in form and content acceptable to the County Attorney. The conveyance of right-of-way must be accompanied by a title insurance policy covering the property conveyed, that is acceptable to the County Attorney and to the Commissioners Court.
- (b) A conveyance of right-of-way for Road District improvements must be free and clear of any indebtedness.
- (c) Right-of-Way Acquisition Documents may be removed from escrow and recorded at any time after the Road District closes its first issue of Bonds. The County Attorney will provide 30 days notice of his intent to record the grantor's Right-of-Way Easement to allow the grantor, during that 30 day period, to substitute right-of-way deeds. Any Right-of-Way Acquisition Documents no longer required will be returned to the grantors upon completion of the acquisition or conveyance.

383.041 Professional Service Agreements

- (a) Upon creation, or as soon thereafter is practicable, the Road District shall enter into Professional Service Agreements with a bond counsel, an underwriter or any other professional or consultant the Commissioners Court deems necessary, for any and all work to be performed on behalf of such district after creation. The Road District will not pay for services or materials provided in connection with the Road District after creation, unless the

provider of such services or materials enters into an Agreement with the District.

- (b) It is within the discretion of the Commissioners Court to enter into a Professional Service Agreement with any Person.
- (c) The form and content of a Professional Service Agreement shall be acceptable to the County Attorney.

383.042 General Supervision by TNR

Except as otherwise provided in a Professional Service Agreement, the acquisition and construction of Road District Improvements are under the general supervision of the County Engineer.

383.043 Inspecting and Testing by TNR

- (a) TNR may inspect the site of Road District Improvements at such intervals as the Director considers appropriate for proper supervision of the acquisition and construction of the Improvements.
- (b) TNR may conduct such tests with respect to construction methods and materials for Road District Improvements as the Director determines appropriate and may review the results of tests conducted by others in connection with the acquisition or construction of Road District Improvements.

383.044 Non-Compliance with Plans and Specifications

- (a) If the Director determines that Road District Improvements have not been acquired or constructed in compliance with their plans and specifications, the Director shall deliver notice of the noncompliance to the District Commissioner and the Person responsible for the noncompliance.
- (b) If noncompliance with Road District improvement plans and specifications is not corrected, or, if the Director determines that it is unlikely to be corrected within a reasonable time, the Director shall advise the commissioners Court of the noncompliance. The Commissioners Court may request the County Attorney to take appropriate legal action or may take any other action that the court determines appropriate to resolve the matter.

383.045 Quality Control Consultant

- (a) A Road District may retain a quality control consultant who is qualified in the field of construction quality control inspection and testing. The scope of services to be performed by the quality control consultant shall be subject to the approval of the Director, consistent with this section.
- (b) The scope of services to be performed by a quality control consultant shall require quality control testing of materials and installations that meets the minimum requirements for sampling and testing as detailed in the

Construction Manual of the Texas State Department of Highways and Public Transportation.

- (c) The Quality Control Consultant shall employ one or more resident construction inspectors whose qualifications are acceptable to TNR.
- (d) The fees of a quality control consultant shall be paid from the proceeds of the Bonds issued to finance the Improvements inspected and tested.

383.046 TNR'S Fee

- (a) The Road District shall pay a fee for TNR's services rendered in connection with the acquisition and construction of Road District improvements, in an amount equal to one-half of one percent of the aggregate principal amount of the Bonds issued to finance the Improvements and is in addition to the fee received pursuant to Section 2.04 of this policy. In any event, such fee shall be reasonable in relation to the work performed by TNR. The Director may waive any portion of the fee determined to be unreasonable.
- (b) Except as provided by Subsection (c) of this section, the TNR's fee is payable from the proceeds of the Bonds issued to finance the Improvements with respect to which of TNR's services are rendered.
- (c) If the acquisition or construction of Road District improvements begins before the Bonds financing those improvements are issued, an Estimate of the TNR's fee, as determined by the Director, must be paid, upon the Director's request, before the Improvements. The amount paid as the estimated fee shall be adjusted if the Bonds are issued in a aggregate principal amount different from that upon which the estimated fee was based, by either a reimbursement from the County of overpayment or a payment as applicable, at the time the Bonds are issued.

383.047 County Attorney's Fee

- (a) The Road District shall pay fees for the County Attorney's services rendered in connection with the acquisition and construction of Road District improvements and review of bond offering documents, at an hourly billing rate. The County Attorney shall keep careful records of time required to perform services for the Road District pursuant to this policy. He shall charge an hourly fee comparable to those fees charged by private counsel of similar expertise, in addition to the fee received pursuant to Section 2.04 of this policy. In any event, such fee shall be reasonable in relation to the work performed by the County Attorney.
- (b) The County Attorney's fee is payable from the proceeds of the Bonds issued to finance the improvements with respect to which of the County Attorney's services are rendered.

Subchapter D. Road District Bonds

383.048 Bond Election

The Commissioners Court may order a bond election pursuant to the requirements of the County Road and Bridge Act, Texas Revised Civil Statutes Annotated. Article 6702-1 (Vernon Supp. 1988) upon a uniform election date.

383.049 Request for Bond Issuance

- (a) Thirty (30) days after holding a successful bond election, any landowner in the Road District may submit a formal request to the District Commissioner requesting a bond issuance. The District Commissioner shall request a work session for the Road District and request the attendance of the County Financial Advisor, the County Attorney, the Director, and any other advisor he determines necessary.
- (b) If the Commissioners Court determines a bond issuance to be practicable, they may retain the services of an underwriter or instruct the County Financial Officer to begin preparation of offering documents.

383.050 Review and Advice of County Attorney

- (a) For each issue of Road District Bonds, the County Attorney shall review the order calling the election, the order authorizing the sale and issuance of Bonds, any bond offering document, closing documents, and all other documents executed or delivered in connection with the issuance of the Bonds before such documents are executed or delivered. A copy of each aforementioned documents shall be delivered to the County Attorney not later than the 14th day before the date scheduled for execution or delivery, as applicable.
- (b) The County Attorney shall advise the Commissioners Court on matters in connection with the issuance of Road District Bonds as requested by the Commissioners Court including: choice of Bond Counsel, price to be negotiated for the services, and the scope of the review necessary.

383.051 Review and Opinion of County Financial Advisor

- (a) Prior to each sale of the District's Bonds or notes, the County Financial Advisor shall review information pertaining thereto and furnish the Commissioners Court with his opinion regarding advisability of such sale. The information to be reviewed and used as a basis for such bond counsel, opinion may be that provided by managing underwriters, market research analysts, engineers and other consultants retained by the Road District.
- (b) Topics addressed by the County Financial Advisor's opinion regarding each such bond issue should include:
 - (1) the financial feasibility of the proposed issue in terms of the current market for such securities and the plan financing proposed at the time of creation or subsequent plans of financing adopted by the district;

- (2) the impact of the proposed bond issue and the plan of financing of which it is a part upon the credit of the County and its credit rating and upon pending or future bond issues which may be needed by the County;
 - (3) the effect of the proposed district debt and tax rate for individual taxpayers within the Road District in addition to tax levies by other overlapping jurisdictions; and
 - (4) a method of selling such Bonds which will enable the Road District to secure needed funds at favorable interest rates for minimal costs and result in reasonably tax rates.
- (c) Within 15 working days after the County Financial Advisor secures all needed information from the district's consultants, he shall render his written opinion to the commissioners Court based on such findings on the following:
- (1) that the proposed bond issue can or cannot be sold in a manner consistent with the district's current plan of financing;
 - (2) that the proposed bond issue will or will not adversely affect the County's credit or credit rating; and
 - (3) that the proposed bond issue will or will not adversely affect the County's ability to conduct its overall operations in a financially sound and timely way.
 - (4) any other matters which the County Financial Advisor deems important.

383.052 Limit Placed on Amount of Bonds

Due to restrictions placed on unlimited tax debt of counties by Texas Constitution Article III, Section 52, the Court shall not issue District Bonds which would cause the aggregate principal amount of Road Bonds outstanding for the County Road District, at any time, to exceed 20 percent the Taxable Value of the real property in such Road District.

383.053 Payment for Bond Issuance Costs

- (a) Bond Issuance Costs are payable by a Road District from the proceeds of the Bonds of such issue and from no other County source.
- (b) The Road District shall pay the costs of issuance associated with a Road District as soon as practicable after the issuance of the Bonds.

383.054 Opinions of Counsel

As a condition to the issuance of Road District Bonds, the Commissioners Court, on the advice of the County Attorney, may require such opinions, addressed to the Commissioners Court, from bond counsel, purchaser's, underwriter's, or placement agent's counsel, developer's counsel, or counsel to any other person involved in the issuance of the Bonds as the Commissioners Court considers necessary or appropriate for the proper issuance of the Bonds.

383.055 Bond Offering Documents

- (a) At the time any bond issue for the Road District is proposed, the official statement or limited offering memorandum, and other disclosure document covering such sale shall be prepared by the managing underwriter for the district under the guidance of an subject to approval by the County Financial Advisor. Such guidance and approval shall be in addition to other reviews and approvals specified in these rules. The County District in scheduling such bond sales and, subject to the orders of the Commissioners Court, shall represent the Road District in all negotiations with underwriters participating in negotiated sales of the district's securities.
- (b) Before Road District Bonds are issued, the Commissioners Court may require the purchaser, underwriter, or placement agent, as applicable, to deliver a certificate, or counsel for that party to deliver an opinion, in either case acceptable to the Commissioners Court to the effect that the offering document, or such portions thereof as the Commissioners Court may specify does not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements contained therein, in light of the circumstances under which made, not misleading.
- (c) A disclosure document for Road District Bonds shall contain statements (in each case acceptable to the County Financial Advisor) to the effect that:
 - (1) the Bonds are not obligations of the County, the State of Texas, nor any political subdivision except the Road District and that neither the faith and credit nor the taxing power of the county, the State of Texas, nor any political subdivision except the Road District is pledged for the payment of the Bonds; and
 - (2) neither the County nor the Road District makes any representation regarding the market value of the property in the Road District or regarding the ability of any taxpayer to pay taxes assessed against the taxpayer.
- (d) A disclosure document shall contain, in addition to any material required by this section, such statements and disclaimers with respect to the responsibility of the Road District for information contained in the document as the Commissioners Court, on the advice of the County Attorney, may require.

383.056 Amount, Terms, and Method of Sale of Bonds

The principal amount and terms of Road District Bonds and the method of their sale (whether competitively bid public offering, negotiated sale, or otherwise) shall be as approved by the Commissioners Court.

383.057 Indemnification by Underwriter or Placement Agent

- (a) In addition to any other indemnification required by this Policy, as a condition for the issuance of Road District Bonds, the Commissioners Court may require the underwriter or placement agent for the Bonds to agree in writing to

indemnify the County, the Road District, the Commissioners Court (collectively and individually), all other County and Road District officers, and all other County and Road District employees and agents for such cost, liability, or damage (including attorney's fees) as the Commissioners Court may specify in connection with the placement, offer for sale, or the sale of the Bonds, as the case may be.

- (b) The form and content of an indemnification agreement under this section shall be as acceptable to the County Attorney.

383.058 Reimbursement of Creation Costs and Expenses from Bond Proceeds

- (a) All payments made by the Applicant to the County under Section 2.04 and Section 2.05 shall be reimbursed by the district from bond proceeds as soon as practicable after Bonds are issued and delivered.
- (b) All costs and expenses the Applicant incurs with respect to the preparation, submission, and court-directed amendments to the Application or any costs related thereto, to the date of creation, shall be reimbursed from bond proceeds to a maximum amount of \$45,000.00 providing:
 - (1) such costs and expenses were required to be incurred under the provisions of this Policy;
 - (2) such costs and expenses are reasonable for the services performed and materials provided;
 - (3) such costs and expenses have been paid by the Person requesting reimbursement as evidenced by a detailed statement of the services and materials provided and cancelled checks for the payment of such statements; and
 - (4) such costs and expenses of Applicant's attorneys fees are reasonable; however, in no event, shall such costs and expenses represent amounts:
 - (A) paid by Applicant which were incurred for work performed solely in representing the interests of the Applicant;
 - (B) paid by Applicant pursuant to a contract with fees calculated to be a percentage of the bond proceeds; or
 - (C) paid by Applicant to represent the Applicant's interests in lobbying or persuading members of the Commissioners Court or a member of the County Reviewing Authority to waive or alter any requirements under this Policy; and
 - (D) such costs and expenses are approved by the Commissioners Court.
- (c) An Applicant may petition the Commissioners Court to consider expenses above the \$45,000.00 maximum amount, provided the Commissioners Court has previously authorized such expense to be incurred and the expense meets the criteria otherwise required within this section.

- (d) Three copies of all requests for reimbursement under (b) above will be submitted to the Director who will distribute one copy to the County Auditor and one copy to the County Attorney. Requests for reimbursement of attorney's fees should be accompanied by an invoice to Applicant reflecting the hourly amounts billed and the type of work performed on each specific date when service was performed. The Director shall review each request and, after consultation with the County Attorney and the County Auditor, shall report to the Commissioners Court on whether the request complies with this section and whether the request for reimbursement should be approved by the Commissioners Court.

383.059 District Purchase of Existing Improvements

The Road District may, in its discretion, purchase existing improvements or work product with bond proceeds only if:

- (1) the cost of such improvements or work product is reasonable;
- (2) the purchase of such improvements or work product is approved by the Commissioners Court and in accordance with applicable law.

Subchapter E. Miscellaneous Provisions

383.060 Discretion of Commissioners Court

- (a) The Commissioners Court, to the extent permitted by law, shall have sole discretion over the actions of all Road Districts created under this Policy including the discretion to call bond elections and to issue Bonds of a Road District. The Commissioners Court also may provide in any order it adopts in relation to a Road District, that any future action of the court shall be considered upon the occurrence of such events as the court may deem appropriate.
- (b) Any decision made by the Director pursuant to this Policy is subject to review by the Commissioners Court.

383.061 Effective Date of Policy Statement; Applicability to Pending Applications

- (a) The effective date of this Policy shall be as specified in the action of the Commissioners Court adopting this Policy.
- (b) This Policy is applicable to any Application that is pending or any Road District awaiting Bond Election or Issuance on the effective date of this Policy.

383.062 Road District Review

A Road District which has been created and has not held a bond election within one year, or which has held a bond election and has not issued Bonds within one year, shall be assessed by the Commissioners Court as soon thereafter as practical to determine whether the Road District should be abolished.

The Applicant will be notified of a Public Hearing so he may appear to address the criteria in Section 2.71 of this Policy.

Should the Commissioners Court determine the Road District should no longer exist, it shall abolish the Road District pursuant to state statute. Should the Commissioners Court determine the Road District shall continue, the Review shall occur each year thereafter until bonds are issued.

383.063 Amendment of Policy

- (a) The Commissioners Court, in its discretion, may amend any provision of this Policy after a public hearing on the proposed amendment. A public hearing is not required in case of emergency or grave public necessity.
- (b) The effective date of an amendment to this Policy shall be as specified in the action of the Commissioners Court adopting such amendment. Unless otherwise stated in such action, the amendment is applicable to any Application pending on the effective date of such amendment.

383.064 Waiver of Policy

The Commissioners Court, in its discretion, may, on the vote of three (3) members, waive the applicability of any provision of this Policy after the waiver is submitted by the affected person in written form and is discussed at a public hearing. The Commissioners Court may waive the requirement of a public hearing only in the case of an emergency or grave public necessity.
