AGENDA LANGUAGE: *Carol B. Joseph for* Receive comments regarding the Abolition of the Northwest Travis County Road District #3 (Golden Triangle) in Precinct Two.

BACKGROUND/SUMMARY OF REQUEST:

In 1986 Commissioners Court created the Northwest Travis County Road District #3 (Golden Triangle). The purpose of the District was to construct certain roadway, drainage, and associated facilities within the District. Roadway improvements included Claridge Parkway, Stone Lake Boulevard, Great Hills Trail, Braker Lane/Stone Lake Boulevard intersection, drainage improvements and associated facilities. As of September, 2014 all outstanding debts owed and all funds due from various settlements are completed. Therefore, in accordance with the State Transportation Code Section 257.022, the Commissioners Court can abolish a Road District as long as the district has no outstanding public securities.

STAFF RECOMMENDATIONS:

Staff recommends that the Court abolishes the Northwest Travis County Road District #3 in accordance with the State Transportation Code Section 257.022 since all obligations are completed.

FISCAL IMPACT AND SOURCE OF FUNDING:

The road district has no obligations outstanding. Per the Auditor's Office, funds remaining in the district are approximately \$346.09 in cash and investments of \$32,814.63. These funds can be transferred to the County General Fund.
