Subject: Forfeited Property Account examination

Scheduled as part of our statutory requirements, the Risk Evaluation and Consulting Division (REC) of the Travis County Auditor's Office has completed an examination of the Forfeited Property Accounts (FPA) maintained by the Travis County District Attorney's (DA's) Office. We conducted our examination in accordance with the applicable statutes governing the County Auditor's Office and those relating to County financial and accounting protocols. As a result of our examination, we are providing this report of our findings and recommendations.

BACKGROUND

Disposition of state forfeited property is governed by Article 59.06 of the Code of Criminal Procedure. The District Attorney's Office disburses seized funds held in escrow according to the orders in forfeiture judgments. Any forfeited funds awarded to the District Attorney are deposited in an account that may be used solely for the official purposes of that office.

EXAMINATION METHODOLOGY

Our work was based on applying sampling procedures to office records and on verbal and written representations from the District Attorney's Office. Sampling relates to examining, on a test basis, evidence supporting the amounts and disclosures in the financial records and statements. The use of sampling techniques would not necessarily disclose all matters in the forfeited property financial statements, financial records, and financial controls that might signify material weaknesses or misstatements. In regard to the written and verbal representations made by the DA's Office, unless otherwise noted in this report, office management maintains that the assertions we relied upon in the examination were correct to the best of their knowledge.

SCOPE OF EXAMINATION

This examination included an assessment of the adequacy and effectiveness of the overall system of financial controls in place for the District Attorney's Forfeited Property Accounts during the period September 1, 2017 to August 31, 2018. The scope of this examination included an examination of the overall internal controls in place with respect to compliance with state guidelines, and deposits and disbursements of forfeited funds, including any accrued interest.

SUMMARY OF FINDINGS

No significant findings noted.

ATTACHMENTS

Attachment A: Copies of financial statements for the DA's FPA accounts for August 31, 2018, are provided in Attachment A. These statements include a detailed statement of revenues, expenditures and changes in fund balance, and a balance sheet for the forfeited property account. In addition, a statement of fiduciary assets and liabilities for the escrow account is included in the attachment. The express purpose of presenting these statements is to provide feedback to Travis County officials. These financial statements have not been audited by Travis County's external auditors.
