Subject: Vehicle Inventory Tax Special Revenue Fund

Scheduled as part of our statutory requirements, the Risk Evaluation and Consulting Division of the Travis County Auditor's Office has completed an examination of the Tax Assessor-Collector's Vehicle Inventory Tax (VIT) Fund. We conducted our examination in accordance with the applicable statutes governing the County Auditor's Office and those relating to County financial and accounting protocols. As a result of our examination, we are providing this report on our findings and recommendations.

BACKGROUND

Each month, motor vehicle dealers remit estimated property taxes due on their automotive inventories to the Tax Office. These estimated taxes are held in escrow by the Tax Office until a final, annual property tax balance due can be determined for these vehicle inventories. At this point, the taxes are paid from escrow, and any difference is either collected or refunded, as applicable. Per Section 23.122(c) of the Tax Code, the interest earned on these escrow funds is to be transferred into and accounted for in a special revenue fund maintained by the Tax Office. These funds are only to be used to defray the cost of administration of the VIT program.

SCOPE OF EXAMINATION

The primary objectives of this examination included an assessment of the adequacy and effectiveness of the overall system of internal controls in place for the Tax Office's VIT Special Revenue Fund during the period October 1, 2017 through September 30, 2018. This included examinations of controls over receipts and disbursements, reconciliation procedures for bank accounts, and accounting controls over internal functions for handling and managing these

accounts. A review of the overall VIT function is currently being performed, and its results will be reported separately.

EXAMINATION METHODOLOGY

Our work was based on applying sampling procedures to office records and on verbal and written representations from this office. Sampling relates to examining, on a test basis, evidence supporting the amounts and disclosures in the financial records and statements. The use of sampling techniques would not necessarily disclose all matters in the office's financial statements, financial records and internal controls that might be material weaknesses or misstatements. In regard to the written and verbal representations made by this office, unless otherwise noted in this report, office management maintains that the assertions we relied upon in the examination were correct to the best of their knowledge.

SUMMARY OF FINDINGS & RECOMMENDATIONS

No material findings were noted during this review.

ATTACHMENT

Attachment A: Copies of the financial statements for September 30, 2018 are provided in Attachment C. These statements include a detailed statement of revenues, expenditures and changes in fund balance, and a balance sheet for the special revenue fund. The express purpose of presenting these statements is to provide feedback to Travis County officials. These financial statements have not been audited by Travis County's external auditors.
