**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Honorable County Judge and Commissioners of
Travis County, Texas

We have audited the statutory basis financial statements of the governmental activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of Travis County (the County) as of and for the year ended September 30, 2011, and have issued our report thereon dated February 24, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Other auditors audited the financial statements of the Travis County Healthcare District (Central Health), the discretely presented component unit of the County, as described in our report on the County's financial statements. This report does not include the results of other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Internal Control Over Financial Reporting

Management of Travis County is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the County's internal control over financial reporting as a basis for our auditing procedures for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's basic financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, including the Public Funds Investment Act (Section 2256, Texas Government Code), regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The result of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the County Judge and Commissioners, management of the County, and federal and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specific parties.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH
REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL EFFECT
ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

To the Honorable County Judge and Commissioners of
Travis County, Texas

Compliance

We have audited the compliance of Travis County, Texas (the County) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that could have a direct and material effect on each of its major federal and state programs for the year ended September 30, 2011. The County's major federal and state programs are identified in the summary of auditors' results section of the accompanying *Schedule of Findings and Questioned Costs*. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal and state programs is the responsibility of the County's management. Our responsibility is to express an opinion on the County's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*; and the State of Texas *Uniform Grant Management Standards* (UGMS). Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or state program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the County's compliance with those requirements.

In our opinion, the County complied in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended September 30, 2011.

Internal Control Over Compliance

The management of the County is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal and state programs. In planning and performing our audit, we considered the County's internal control over compliance with requirements that could have a direct and material effect on a major federal or state program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Schedules of Expenditures of Federal and State Awards

We have audited the statutory basis financial statements of the governmental activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the County as of and for the year ended September 30, 2011, and have issued our report thereon dated February 24, 2012. Our audit was performed for the purpose of forming an opinion on the statutory basis financial statements that collectively comprise the County's basic financial statements. The accompanying schedules of expenditures of federal and state awards are presented for purposes of additional analysis as required by OMB Circular A-133 and the State of Texas UGMS. The supplemental schedules on pages 16 to 24 are also presented for the purpose of additional analysis as required by the Texas Department of Housing and Community Affairs (TDHCA). These schedules are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Other auditors audited the financial statements of the Travis County Healthcare District (Central Health), the discretely presented component unit of the County, as described in our report on the County's financial statements. This report does not include the results of other auditors' testing of internal controls over financial reporting or compliance and other matters that are reported on separately by those auditors.

This report is intended solely for the information and use of the County Judge and Commissioners, management of the County, and applicable federal and state grantors and is not intended to be and should not be used by anyone other than these specified parties.

TRAVIS COUNTY, TEXAS

NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AND STATE AWARDS

FISCAL YEAR ENDED SEPTEMBER 30, 2011

1. BASIS OF ACCOUNTING

The accompanying Schedule of Expenditures of Federal Awards and the Schedule of Expenditures of State Awards are prepared using the modified accrual basis of accounting. Under this basis, expenditures are recorded when incurred, if measurable.

2. NONCASH AWARDS

Certain federal award programs do not involve cash awards to Travis County.

U.S. Department of Agriculture:

Commodities Fiscal Year 2010-2011 Contract 75-227022A CFDA # 10.550	\$ 8,257
Commodities Fiscal Year 2011-2012 Contract 75-227022A CFDA # 10.550	<u>3,171</u>

Total value of noncash awards	<u><u>\$ 11,428</u></u>
-------------------------------	-------------------------

3. SUBRECIPIENTS

During the year ended September 30, 2011 there was \$1,567,625 awarded under federal grants and \$293,587 awarded under state grants passed through to subrecipients.

**4. VERIFICATION OF EXPENDITURES BY BUDGET CATEGORY--
TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS CONTRACTS**

The accompanying Supplemental Grant Revenue and Expense Schedules are in response to the Texas Department of Housing and Community Affairs contractual requirements stating under Section 16.A.4 that the audit report must include verification of all expenditures by budget category, in accordance with the final Funding Report submitted to close our the contract year.
