A Travis County Grand Jury today concluded that Travis County Sherriff's Office Deputy Reuben Garcia will not face charges related to the August 17th, 2015 shooting of Michael Alegbeleye at the Q'Mart at 15900 North IH 35. Alegbeleye was transported to a hospital and recovered from his injuries. He was subsequently charged with several felonies arising out of the incident and his cases remain pending.

The Grand Jury spent over four hours reviewing evidence and heard testimony from four witnesses.

Because the criminal cases against Alegbeleye remain pending, no press packet will be issued.
