For Immediate Release

January 23, 2013

Travis County District Attorney Rosemary Lehmborg today issued the following statement regarding the Cancer Prevention and Research Institute of Texas (CPRIT):

The CPRIT investigation is ongoing and aggressive. Chairman Mansour and other current CPRIT board members are not under suspicion in the investigation. Chairman Mansour has pledged ongoing cooperation from himself and from the CPRIT board. We may continue to question them for clarifications on any matters relevant to the investigation. Let me emphasize the investigation is very serious and we are far from finished in our efforts.
