

READY?

Let's make a more walk
and bike friendly region!

ABOUT

The Regional Active Transportation Plan (RATP) will develop a blueprint for a safe and easy-to-use active transportation network of trails, sidewalks, bike lanes, and streets for the six-county CAMPO Region.

PLAN VISION

The CAMPO region's world-class, regionally-coordinated, and well-maintained Active Transportation network will provide safe, efficient, convenient, and comfortable walking and bicycling access to local and regional destinations for all residents and visitors.

GET INVOLVED

One of the most important components of this plan is public input. We want to hear from you on existing bike and pedestrian facilities, safety considerations, and future priorities. See list of upcoming meetings on the other side of this flier.

Survey: <http://bit.ly/2gZDnJl>

The Capital Area Metropolitan Planning Organization (CAMPO) is the agency that coordinates regional planning efforts and approves the use of federal transportation funds in CAMPO's six-county region. CAMPO is responsible for coordinating with regional agencies and local governments to develop a 20+ year long-range plan and a four-year program of projects.
