Help make our community healthier

Apply today to join the Dell Medical School Community Strategy Team.

The Dell Medical School's Department of Population Health is looking for people who live in Austin and Travis County to serve on its Community Strategy Team.

If you're active in your community and are interested in helping the Dell Medical School rethink how it works with communities facing health challenges, please apply.

What is the Community Strategy Team?

Six community representatives serving revolving, three-year terms, who will be compensated for their time (up to two hours a week)

Who are we looking for?

Representatives of a wide diversity of communities in Central Texas facing health inequities

How to Apply

Application packets are available at any of the following branches of the Austin Public Library: Carver, Little Walnut Creek, Manchaca, St. John, Southeast, Terrazas and University Hills.

Or, you may:

- Complete the application online:
dellmedschool.utexas.edu/community-strategy-team-app
- Apply by phone. Leave a voicemail with name and phone number at 512-495-5155.
- Email populationhealth@utexas.edu to request an application.

Deadline

Apply by May 24, 2016.

The Community Strategy Team will launch July 1, 2016.
