Award Date	08/18/2009		
Award Description	<p>This project involves the service connection of approximately 39 houses (approximately 140 individuals) to public water infrastructure for the first time. The homes are located in Plain View Estates, a primarily low to moderate income neighborhood located in the unincorporated areas of Eastern Travis County that have experienced water shortages in their personal wells and requires some to truck in water. Connections will only be provided to income eligible low to moderate home owners at or below 80% of the Area Median Family Income as defined by HUD.</p> <p>The project will include the design, engineering, surveying, environmental review, construction and related costs for project management and eligibility determination. Work will be completed by a design</p>
