CDBG

Community Development Block Grant

2025 - 2026

The Community Development Block Grant is a federal grant received by Travis County yearly. The grant averages around \$1.7 million and is used to support local communities with infrastructure and housing needs. **Accepting applications now. All are encouraged to apply!**

Additional CDBG info and other grant programs detailed inside.

Who is Eligible?

The CDBG program serves Low-to-Moderate income families and communities. This means that qualifying projects are located in areas at or below 80% moderate income levels for Travis County. Qualifying projects must meet national objectives set by the federal government. Projects also meet county priorities, established every 4 years in a Consolidated Plan. **Current priorities are Affordable housing and Infrastructure.** All projects will be considered but must meet these and other criteria to qualify.
