

Before 

Over the years the Travis County Community Center in Manor clothes closet has provided clothing to anyone in need. It has been operated by advisory board members, AARP workers and numerous volunteers.

Most recently, Rose Graham and her dad, Jesse, offered to help out in the clothes closet and boy howdy have they ever spruced the place up. Thanks to Rose and her dad, and our previous volunteer Inez the closet is getting more donations and giving out more clothes than ever before.

After 

The clothes closet is open from 9am to 3pm M-F, unless one of Rose's kids are sick. The clothes closet accepts clean used clothing, no bedding, hats, furniture, or appliances. People can get 5 articles of clothing per household member each month. Come by and say hi to Rose and check out all of the work her and her dad have done.
