## Complementary and alternative medicine

Complementary and alternative medicine (CAM) services include chiropractic, acupuncture, and massage. As a Humana member, you can get these services at a discount through **Tivity Health's WholeHealth Living Choices** (WHL Choices). This network has more than 35,000 licensed practitioners.

### Services include:

- **Acupuncture** - A trained professional uses very thin needles on different parts of the body. Needles are put just deep enough into the skin to keep them from falling out and are usually left in place for a few minutes. Acupuncture can be used to treat conditions such as pain, stomach problems, headaches, and more.
- **Massage** - A massage therapist uses hands and fingers to rub, press, and move your skin and muscles. A massage can relax and energize you and help heal muscles after an injury.
- **Chiropractic** - A chiropractor checks for problems in your spine and fixes them by using hands to adjust the spine, joints, and muscles.

### How the discount works

You don't need a referral to visit a practitioner in the WHL Choices network. You may see WHL Choices providers as often as you like - but you should talk with your primary care doctor about any treatment you're thinking about getting. If you're already seeing CAM professionals who are not on the WHL Choices list, you can ask to have them added to the network by calling the number below.

Simply show the provider your Humana member ID card or the discount certificate to get your discount.

To find a provider in your area, visit the WHL Choices website at **Humana.wholehealthmd.com** or call **1-866-430-8647**, Monday - Friday, 8:30 a.m. - 8 p.m. Eastern Time. If you use a TTY, call **711**.
