

CONSTRUCTION ALERT

May 26, 2020

CONSTRUCTION OF ELROY ROAD SAFETY PROJECT BEGINS Temporary Closure of Elroy Road

(Austin, Texas) — Beginning as early as June 1, 2020,* construction of the Elroy Road Safety Project between McAngus Road and Kellam Road will require closures from June through September. The intersection of Elroy Road and Heine Farm Road/McAngus Road and a section of Elroy Road slightly east of the intersection will close for reconstruction. Property owners within the construction limits will be granted access through the closure from Kellam Road. However, through traffic will use the following detours:

Elroy Road Through Traffic:

- From Elroy Road, turn north on Ross Road and continue north
- Turn right on Pearce Lane
- Turn right on Kellam Road
- Connect to Elroy Road

To McAngus Road:

- Take Elroy Road westbound towards FM 973
- Turn left on FM 973
- Turn left to connect to McAngus Road

To Heine Farm Road:

- From Elroy Road, turn north on Ross Road
- Turn right on Stoney Meadow Drive or Heine Farm Road

See map on second page.

ABOUT THE ELROY ROAD SAFETY PROJECT

The Elroy Road Safety Project is part of the Travis County Capital Improvement Program. The County has enlisted the services of the Central Texas Regional Mobility Authority to develop and construct the project, which will be maintained by the County.

The Project includes reconstructing a 1.12-mile section of Elroy Road between McAngus Road and Kellam Road from a two-lane road to a five-lane road with a continuous center turn lane, bike lanes, and sidewalks. The project will address roadway safety concerns and facilitate safer bicycle and pedestrian travel. The project will also mitigate flooding issues to allow safe access and evacuation when needed.
