Travis County Opens Additional Water Distribution Site

(Travis County, TX) - Travis County has opened a water distribution site at **Circuit of the Americas**. Bottled water will be available for our underserved communities, people with special needs, and those who are unable to boil water. The distribution site is located in **Parking Lot A** and is open from 7am to 7pm, until further notice. Circuit of the Americas is located at 9201 Circuit of the Americas Blvd, Austin, Texas 78617.

“Our priority at Travis County is the safety of our residents. We want to make sure we are doing everything we can to help the community as we all navigate this emergency,” said Hector Nieto, Public Information Officer for the Travis County Commissioners Court. **“Travis County would like to thank Circuit of the Americas for their assistance and making their facility available.”**

Circuit of the Americas is located at 9201 Circuit of the Americas Blvd, Austin, Texas 78617.
