If the Project is completed in phases, [under a phasing plan approved by County pursuant to Section 5.1.1(e)(iii)], the minimum permanent full-time equivalent jobs required under this Section 5.1.1(c) will be calculated a rate of .0016 jobs (full-time equivalent) per square feet of completed construction. Residential housing square footage will not be included in the above calculation.

Company shall complete development of the Project as described in this Agreement so that the value subject to Travis County Ad Valorem taxation at the Completion Date of the entire Project (including all phases in any Court approved phasing plan) equals at least \$100,000,000 more than the Effective Year Value, as defined in Section 1.7.

(e) Construction.

(i) Commencement. Company shall issue a notice to proceed to a contractor to commence construction of the Project no later than two years from the Effective Date, and shall diligently pursue such construction to completion as set forth in this Agreement. In the event that Company fails to commence construction of the Project within such two year period, or fails to receive an extension of this time period as set forth in this subsection (i), this Agreement shall be terminated and shall be of no further effect. County shall grant Company's written request for an extension of this two year period for one additional period not to exceed two years upon showing that Company has made application and paid all required fees related to all required site development permits from the City and County. Such approval shall be indicated in the form of a written amendment to this Agreement, pursuant to Section 3.0.

(ii) Completion. A Certificate of Occupancy for the entire Project as set forth in this Agreement (including phases shown in any Court approved phasing plan) shall be obtained by Company no later than four years from the date of commencement of construction under Section 5.1.1(e)(i). County shall grant Company's written request for an extension of this four year period for one additional period not to exceed two years upon showing that Company has made reasonable efforts to complete construction, as determined by County. Necessary inspection(s) shall take place and be successfully completed prior to the Completion Date. Throughout the Agreement Term, the requirements of all applicable County and City of Austin codes and ordinances must be met.

(iii) Phasing. If Company desires to complete the Project in phases, a phasing plan shall be submitted in writing to County for approval prior to the implementation of such plan. The phasing plan shall include information detailing the estimated timing of each proposed Phase and the portions of total acreage, square footage, housing, jobs and value to be attributable to each Phase and how Company intends to complete all of the phases within the timeframes set forth in the phasing plan. If County approves the Company's phasing plan, such approval shall be indicated in the form of a written amendment to this Agreement, pursuant to Section 3.0. County acknowledges that certain information in reports will be provided to Company by third party occupants of the Project. Company shall require such third parties to provide that information which is necessary to confirm compliance with the applicable terms of this agreement, and shall have those third parties certify that the information provided to Company is correct and accurate. Company shall certify that the consolidation of information provided by those third parties and provided to County in the report attached hereto as Attachment D is accurate to the best of Company's knowledge. Company shall provide County with a completed Reporting Form (Attachment D - "Report") within a reasonable time after the end of each calendar year in the Agreement Term, allowing adequate time for Company to collect and consolidate the data and submit to County the resulting report which will reflect information related to the previous 12-month period (or other time period as specified).

Company shall create and maintain such records as necessary for County to audit performance under this requirement, including documentation related to each employee which supports that information shown in the Reporting form and any other information reasonably necessary to calculate FTEs as related to performance under this Agreement. County may require such other documentation as reasonably deemed necessary to support reported employment efforts of Company as required under this Agreement.

5.3 Company warrants that Company and the signors of this Agreement have the authority to enter into this Agreement.

5.4 Company will make its best effort to ensure that all reports, data and information submitted to County will be accurate, reliable and verifiable according to the terms of this agreement. Approval by County of such information shall not constitute nor be deemed a release of the responsibility and liability of Company, its employees, agents or associates for the accuracy and competency of their reports, information documents, or services, nor shall approval be deemed to be the assumption of such responsibility by County for any defect, error, omission, act or negligence or bad faith by Company, its employees, agents, or associates.

5.5 Company understands that the value of its new capital investment (property subject to Travis County Ad Valorem taxation) upon completion of the entire Project (including all phases of any Court approved phasing plan) must equal at least One Hundred Million Dollars (\$100,000,000.00) more than the Effective Year Value, as defined in Section 1.7) in order for Company to receive and retain reimbursement under this agreement.

Subject to Section 28.004(x), the Company's new capital investment (value of property subject to Travis County Ad Valorem taxation) must be no less than One Hundred Million Dollars (\$100,000,000.00). The purchase price of Property will not be included in this total capital investment amount.

(iii) Ownership. The Company must own or plan to own the Property in order to enter into an Agreement under this Policy. Incentives will not be granted relative to leased property.

(iv) New Improvements. Incentives provided under this Policy shall only be granted for new improvements made to the Property; no incentives will be granted for expansion, renovation or increase in existing development at an existing site. New development at an existing site may be considered for benefits under this Policy.

(v) Current Developments. Applications under this Policy shall be accepted only for projects where no specific development-related action, as determined by the Commissioners Court, has taken place prior to the submission of the application. The intent of the Policy is to attract new investment and development to Travis County, not to grant benefits to development already underway. The existence of an approved Master Plan will NOT be considered to be "specific development-related action" so as to exclude an applicant under this Policy.

(vi) Environment. All Projects shall be completed and maintained in a manner which preserves and respects the natural environment by maintaining green space as set forth in a plan approved by the governmental entity having jurisdiction, as evidenced by written documentation from that entity. Company shall not violate any federal, state or local legislation and/or regulations which prohibit or regulate deleterious effects on the environment within the Project.

(ix) **Substantial Benefit.** The Commissioners Court must find that the development of the Project will result in substantial immediate and long-term financial benefit to Travis County and significant financial benefit to other taxing entities within Travis County.

(x) **The Commissioners Court retains the option of considering proposed projects for receipt of incentives under this Policy which do not meet the requirements of Section 28.004 (a) (i) and (ii).** A project which involves a new capital investment of less than \$100,000,000 and/or which creates less than 750 new jobs may be considered by the Court when the proposed Project will stimulate economic development within an area of Travis County which is or has been considered to be economically disadvantaged, as determined by the Commissioners Court.

(b) **Considered Components of Project.** The application must include evidence of the Company's ability to comply with all applicable terms of this Policy. The Commissioners Court will consider the following in the Company's application for economic development incentives under this Policy:

(i) **Housing - availability of affordable housing, as defined by County.**

(ii) **Public Transportation - availability, access and accompanying amenities.** As applicable, Company shall coordinate and cooperate with relevant transportation entities to maximize availability within the Project of public transportation opportunities and amenities, such as sidewalks.

(iii) **Open space for gathering, public seating, etc.**

(iv) **Environmental attractiveness**

(v) **Commitment to clean air initiatives**

(xi) **Best Practice Design.** Plans to complete the project utilizing best practices in urban design as established by professionals in that area in the community, and shall include adequate parking.

(c) **Commissioners Court Determination.** This Policy sets forth the minimum guidelines and criteria to be considered in any application for receipt of benefits under this Policy. However, nothing in this Policy confers any right to receive benefits under this Policy, nor does this Policy in any way limit the authority of the Commissioners Court to grant or refuse to grant any application submitted under this

Policy. Each application will be considered on a case-by-case basis, and the decision by the Commissioners Court will be final.

(d) **Incentive Amount.** The Commissioners Court may grant Company a payment equal to up to 50% of the difference between the Ad Valorem taxes paid by the Company on the Effective Year Value and the Ad Valorem Taxes paid on the Payment Year Value. The percentage amount will be determined based upon the amount of public economic benefit determined by the Commissioners Court to be derived from the Project as presented by the Company in its application. The formula for the County's annual payment shall be:

$$\text{(Payment Year A.V. Taxes - Effective Year A.V. Taxes) X \% of Incentive = County Annual Payment}$$

(e) **Term.** The Agreement Term shall be as set forth in the specific agreement entered into under this Policy. The Payment Term shall not exceed a period of twenty (20) years.

(f) **Compliance With Law.** The development of any Project under this Policy must be done in a manner which meets all applicable Federal, State, County and City laws, codes, ordinances, rules and regulations and permit requirements.

**AMENDMENT OF  
ECONOMIC DEVELOPMENT AGREEMENT  
BETWEEN TRAVIS COUNTY AND SIMON PROPERTY GROUP, INC.**

RECEIVED  
10 JUL 27 2011 9:37  
PLANNING & DEVELOPMENT DEPARTMENT

This Amendment of Economic Development Agreement ("Amendment") is entered into by and between the following Parties: Travis County, a political subdivision of the State of Texas ("County") and Simon Property Group, Inc. ("Company").

**RECITALS**

County and EGP Management, L.L.C. ("EGP"), entered into an economic development agreement ("Agreement"), commencing on or about August 26, 2003, under which EGP agreed to develop as a mixed use project certain property located in Travis County, and County agreed to provide certain economic benefits to EGP.

Pursuant to the terms of the Agreement, EGP assigned said Agreement to Company.

The Agreement provides for amendment of the Agreement by written agreement of the Parties.

Pursuant to the Agreement, previous changes have been made by written agreement of the Parties.

County and Company desire to amend the Agreement to reflect certain mutually agreed upon changes in the Agreement.

NOW THEREFORE, in consideration of the mutual benefits received by these changes, and other good and adequate consideration as specified herein, the Parties agree to amend the Agreement as follows:

**1.0 COMPANY PERFORMANCE**

1.1 **Required Components - Jobs.** The Parties agree to amend Section 5.1.1(c), "Jobs," to change the opening phrase of the first sentences

from: "No later than twelve (12) months after the Completion Date of the Project"  
to: "No later than December 31, 2011"

so that Company will have until December 31, 2011, to meet the initial job creation requirement of 1,100 permanent full-time equivalent ("FTE") jobs with the Project.

1.2 **Continued FTE Requirement.** The requirement for continued employment of at least 750 FTE's will take effect the year following the successful achievement of the 1,100 jobs.

1.3 **Reimbursement.** Effective as of the execution of this Amendment, all other terms and provisions of the Agreement will be in full force and effect with December 31, 2011, or the year of the achievement of the 1,100 FTE's, whichever occurs first, being the beginning of the Reimbursement Term (with the understanding that Company has also complied with all other requirements of the Agreement as set forth in Section 5.1.1, and other relevant provisions).

**2.0 OTHER PROVISIONS**

2.1 **Other Provision Changes.** The Parties agree to change all relevant provisions in the Agreement as necessary to accommodate the change in Section 1.1 of this Amendment, including, but not limited to Section 8.3, "Refund," and Attachment D, Section 2.d.

2.2 **Termination Date Not Effected.** The Parties agree that the changes made in this Amendment do not effect the Termination Date of the Agreement which remains either twenty (20) years

from the Completion Date or the date the maximum Agreement Funds have been reimbursed by County to Company under Section 7.0 of the Agreement.

2.3 **Reports.** The Parties understand and agree that all required reports and records will be provided each year during the Agreement, even if requirements have not been met.

**30 INCORPORATION**

31 County and Company hereby incorporate the Agreement into this Amendment. Except for the changes made in this Amendment, County and Company hereby ratify all the terms and conditions of the Agreement. The Agreement, with the changes made in this Amendment constitutes the entire agreement between the Parties and supersedes any prior undertaking or written or oral agreements or representations between the Parties.

**4.0 EFFECTIVE DATE**

4.1 This Amendment is effective when it is approved and signed by both of the Parties.
