BidSync Third-Party Vendor Registration Site

The BidSync Internet Bid System was created with unique capabilities exclusively for Public Agencies and their Vendors.

BidSync is a comprehensive tool that Public Agencies can use to organize, automate and manage their entire procurement process. It is also a powerful tool that Vendors can use to significantly increase their efficiency and productivity in responding to Public Agency requests for bids and proposals.

HUB Program Policy

It is the policy of the Travis County Purchasing Office to ensure a good faith effort is made to assist certified HUB vendors and contractors in receiving contracts in accordance with the HUB Program policies and the Minority and Woman-Owned Business goals adopted by the Travis County Commissioners Court.

Vendor Tracking System (VTS)

*The Travis County Purchasing Office and the Historically Underutilized Business (HUB) Program, is pleased to announce a new **Vendor Tracking System (VTS)**. The web-based software system will be accessible to HUB staff, prime contractors and sub-contractors. The purpose of this system is for prime contractors and sub-contractors to track payment information, which will enable Travis County to accurately track taxpayer dollars per each construction and professional service project.*
