Re: TPDES Small Municipal Separate Storm Sewer System (MS4) General Permit TXR040000
Notice of Change (NOC) to Authorization Number TXR040327

Dear Mr. Fowler:

We are in receipt of your NOC request that was received on December 21, 2009 in which you requested updates to your storm water management program (SWMP) under the general permit for discharges from a small MS4. This letter is being sent in accordance with Sections II.D.3. and II.D.5. of the general permit (TXR040000), which requires written approval for certain changes to the SWMP.

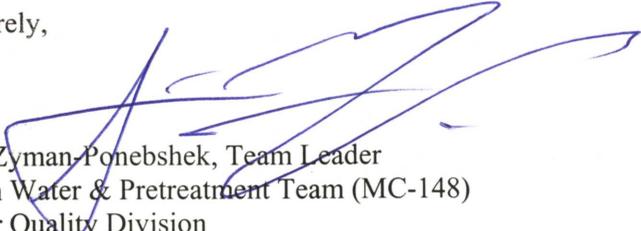

Based on the information submitted in the NOC form, your request is approved and the requested changes may be implemented on the date of this letter.

The information on your original acknowledgement certificate has not changed and you will not be issued a new certificate.

If you have specific questions regarding the decision to approve or deny your NOC request, or if you have other technical questions regarding this general permit, please contact the Texas Commission on Environmental Quality's (TCEQ) Storm Water & Pretreatment Team at (512) 239-4671 or by email at SWGPA@tceq.state.tx.us.

For questions related to the status or processing of your application you may contact the TCEQ's Application Review and Processing Team by telephone at (512) 239-4671. Also, you may obtain information on the storm water web site at www.tceq.state.tx.us. Permit and application status information can be found on the TCEQ web site at http://www5.tceq.state.tx.us/wq_dpa/.

Sincerely,

Jaya Zyman-Ponebshek, Team Leader
