OWNER'S AND CONTRACTOR'S UTILITY WORK AGREEMENT

I,_____, Owner's/ Contractor's Representative for _____ in Travis County, Texas do hereby agree to the following schedules and conditions for doing work within the right-of-way of _____ (street) which is a public roadway maintained by Travis County.

1. I will contact the Travis County Transportation and Natural Resources Department Construction/Inspection Division at least 48 hours prior to start of construction.
2. All work in the right-of-way will be done between the hours of 8:30 a.m. and 4:30 p.m. on Monday thru Friday only.
3. Cuts will be opened for one-half the roadway only, with flagmen on both sides of the work area, allowing one-way traffic through. This type of operation will be held to a minimum and all advance warning signs and barricades shall be as specified in the Texas Manual on Uniform Traffic Control Devices. These cuts will also be filled and entire roadways opened at night and on weekends.
4. Roadside work in the ditches alongside the trenched surface may be left opened at night with Travis County's approval only if they can be barricaded solidly between open ditch and traveled roadway leaving a minimum 6' of road shoulder between the pavement edge and the barricades. The barricades must be reflectorized and lighted with warning lights and conform to the requirements of the T.M.U.T.C.D. for nighttime use.
5. Any construction area to be maintained from dust to dawn shall have Type B High Intensity Steady Burn Warning Lights to delineate the traveled way through and around obstructions in a construction or maintenance area. All warning lights shall be installed to a minimum mounting height of 36" to the bottom of the lens.
6. Construction work and road repair on County right-of-way will be done to Travis County Standards and to the approval of the Travis County Transportation and Natural Resources Department (TNR).
7. I will notify the Travis County Transportation and Natural Resources Department Construction/Inspection Group and obtain approval prior to any changes from this agreement if required due to soil conditions or other problems.
